

National University®

Online Education

For Every Hemisphere

National University's one-course-per-month format and flexible online degree programs let you keep up with work, friends, family and jumpstart your career. Headquartered in California, National University offers 35 online degree programs for people around the world who want to get ahead in their career with a degree from a regionally accredited American university. Just think, at National University, you can earn a bachelor's or a master's degree in half of the time. At that rate, you could be looking at a whole new future in less time than you thought.
