Phoenix Campus Launches MBA Accounting Program

Beginning this June, University of Phoenix will offer the Master of Business Administration degree with a specialization in Accounting (MBA/ACC). The University is proud to offer this exciting degree to Valley-area finance managers, accountants, financial analysts and anyone interested in an advanced accounting degree.

The need for advanced learning in the accounting industry has never been greater. To help professionals in the industry, the new MBA/ACC program focuses on advanced accounting theory and covers the following topics:

- **Accounting Information Systems**
- **Business Taxation**
- **Auditing**
- **Advanced Cost Accounting**
- **And More!**

University of Phoenix's MBA/Accounting degree program answers the call of today's businesses, which demand that accountants obtain higher levels of education, and master the advanced skills needed in today's marketplace.

To learn more about this new program, call and ask to speak with an Enrollment Counselor for graduate business programs.

Due to great demand, this program fills quickly!

Don't wait - Call today!
